DESCRIPTION AND PURPOSE OF ITEM

This item identifies the maintaining agency to which credit for maintenance of a highway section is assigned.

This information is used to summarize highway mileage geographically.

This item is computer-generated using codes recorded in County (Item 6), County Adjacent (Item 9), Township or Road District (Item 10), Township or Road District Adjacent (Item 11) and Maintenance Responsibility (Item 13). If in question, contact the Central Bureau of Urban Program Planning.

Note: This item is included on extract files only.

CODE AND SCREEN ENTRY INSTRUCTIONS

A 2-digit alphanumeric code, right justified.

For Maintenance Responsibility Credited codes, use the table provided for Maintenance Responsibility (Item 13).

Highway sections maintained by one agency are assigned to that maintaining agency.

Highway sections maintained by two agencies, half the section mileage is assigned to one maintaining agency and the remaining mileage to the other maintaining agency.
